FORTY-ONE READY TO GO ON EXCURSION

A Number of Outside People Want to Make the Trip—No Doubt About Success of Pilgrimage.

"There is no doubt about there being enough outsiders to make the Albuquerque Business Men's excursion a hostling success," said Col. D. K. E. Sellers this afternoon.

The colonel is making a canvas of the city ascertaining how many people will want to make the trip. At 3 o'clock this afternoon he had the names of forty-one who had signified their intention of going on the excursion.

"We will have as many people as we can comfortably carry on one train," continued the colonel. "The prospect is that every business house in the city will be represented, and we are receiving requests from people not living in the city who would like to make the trip and are willing to pay their own expenses. I believe that we can easily get a hundred."
